**Re: United States v. David Peres**  
**Case No. 7:23-cr-00194-KMK**

Dear Judge Karas:

After receiving copies of the letters submitted to the Court regarding phone call privileges, Mr. Peres called our office this morning and requested that we contact the Court seeking an order that he be allowed the same phone call privileges as any other inmate in BOP custody. His position is that the proposed protocol by the U.S. Marshals Service is wholly inadequate.

In addition, please be advised that the Marshals office contacted us earlier today about providing Mr. Peres with visitation privileges. Please see the attached email.

We thank you in advance for your prompt attention to this matter.

The Government is to respond to this letter by 4/28/23.

So Ordered.
